

CURRENT THINKING ASSISTIVE LISTENING LTD PRICE LIST

Easy T Professional Range AFILS Amplifiers & Accessories

Valid from 01/06/16

PART NUMBER	DESCRIPTION	PRICE
SecureT Low Spill Loop Amplifier	The unit is self-contained in a wall mount enclosure, and contains two loop amplifiers and a quadrature phase shifter for low spill loop applications. The SecureT covers a square area of 64m ² , (8m a side) and rectangular areas up to 12m by 6m (72m ²) such as Classrooms	£455.00
ST120 Loop Amplifier	The unit is self-contained in a wall mount enclosure which has a built in monitored battery charger & space for a 7AH SLA battery. The Safe T 120 covers a square area of 120m ² , (11m a side) and a rectangular area up to 70m by 5m (350m ²) such as a platform.	£440.00
ET60 Loop Amplifier	The unit is self-contained in a wall mount enclosure, which has 20mm gland knockouts on the top, bottom and rear for simple cable management & installation. The <i>Easy T</i> 60 covers a square area of 64m ² , (8m a side) and rectangular areas up to 40m by 4m (160m ²) such as corridors.	£180.00
ET120 Loop Amplifier	The unit is self-contained in a wall mount enclosure, which has 20mm gland knockouts on the top, bottom and rear for simple cable management & installation. The <i>Easy T</i> 120 covers a square area of 120m ² , (11m a side) and rectangular areas up to 70m by 5m (350m ²) such as corridors.	£205.00
ET150 Loop Amplifier	1u free standing, 3 XLR inputs (2 mic, 1 mic /line) AFILS amplifier, with loop monitor, loop current indication, compressor limiter, mixer and output drive recessed controls. Covers a square room 12.25m per side (150m ²) up to a rectangular room 10m by 20m (200m ²). Output current >5.44A	£330.00
ET300 Loop Amplifier	1u free standing, 3 XLR inputs (2 mic, 1 mic /line) AFILS amplifier, with loop monitor, loop current indication, compressor limiter, mixer and output drive recessed controls. Covers a square room 17.3m per side (300m ²) up to a rectangular room 15m by 30m (450m ²). Output current >7.7A	£395.00
ET450 Loop Amplifier	1u free standing, 3 XLR inputs (2 mic, 1 mic /line) AFILS amplifier, with loop monitor, loop current indication, compressor limiter, mixer and output drive recessed controls. Covers a square room 21.2m per side (450m ²) up to a rectangular room 20m by 40m (800m ²). Output current >9.5A	£465.00
ET Phase	Loop combiner & de-correlator for use with the ET150, 300 & 450 amplifiers, it connects to the insert sockets on the amplifiers using the jack leads supplied. Allows low overspill designs or larger area coverage (2 ET450 and 1 ET Phase will cover 30x60m (1800m ²)) Supplied with mains adaptor. Please specify UK or European plug	£135.00
ETHVP 100V Line Interface	This adapter allows the audio from public address amplifier speaker circuits to be used to feed the line input of the ET150, ET300 & ET450 supplied on a single gang MK wall plate.	£31.45
ETRM Rack Mount Wings	Pair of 1u rack mount wings for the ET150, ET300, and ET450 allowing easy installation into standard 19" rack cabinets.	£40.55

All prices are exclusive of VAT and carriage.

Carriage will be free of charge on orders over £500.00 net (UK mainland only)

CURRENT THINKING ASSISTIVE LISTENING LTD PRICE LIST
Easy T Professional Range AFILS Amplifiers & Accessories

Valid from 01/06/16

PART NUMBER	DESCRIPTION	PRICE
ETCM-W Electret Microphone White	Omnidirectional electret microphone (white). The microphone can be ceiling mounted or desk mounted. The microphone input on the audio unit must be provided with a phantom power (9-48V). The microphone is suitable for use with the ST120,ET60 ET120, ET150, ET300 and ET450.	£78.00
ETBM Electret Boundary Microphone	Omnidirectional electret Boundary microphone (Black). The microphone can be wall mounted or desk mounted. The microphone input on the audio unit must be provided with a phantom power (9-48V).Supplied with a 5m mini XLR to XLR lead The microphone is suitable for use with the ST120, ET60, ET120, ET150, ET300 and ET450.	£125.00
ETOK Over Door Loop Operating Sign	No Longer Produced	
ETLP Loop Present Sticker	This sticker is designed to show to potential loop users that an AFILS is fitted. The sign is matt with white international AFILS logo on a dark blue background.	Pack of 10 £6.80
ETCF	18mm wide insulated copper foil tape for placing loops on the floor below carpets. Ideal for low spillage designs (1.8mm CSA equivalent). Supplied as a 50-metre coil.	£80.00
ETLT	Loop identifying tape. Heavy-duty white polypropylene tape printed with the Blue loop logo and do not cut caution text, ideal for fixing copper foil to floors. 50mm wide supplied in rolls of 50 metres.	£18.00
ETRX Loop Receiver	The ETRX is a loop listening device allowing non hearing aid users to listen to the programme material being broadcast within the loop.	£72.00
ETFSM Field Strength Meter	No Longer Produced	

**All prices are exclusive of VAT and carriage.
Carriage will be free of charge on orders over £500.00 net (UK mainland only)**

CURRENT THINKING ASSISITIVE LISTENING LTD PRICE LIST

Easy T ET30 Range of AFILS Amplifiers & Accessories

Valid from 01/06/16

PART NUMBER	DESCRIPTION	PRICE
ET30 Loop Amplifier	The basic kit comprises: ET30 AFILS amplifier, Mains Lead, Tie Clip microphone and loop present sticker. Covers a square room 5.5m per side (30m ²) up to a rectangular room 5m by 10m (50m ²). Output current > 3A	£150.00
ET30EC Loop Amplifier	The Economy Counter Kit comprises: ET30 AFILS amplifier, ETTC telecoil, Mains Lead, Tie Clip microphone and loop present sticker. Covers a 1 to 2-metre sphere around the telecoil, best mounted on the front of the counter with the telecoil bent to an inverse L. Output current > 3A	£162.00
ET30TV Loop Amplifier	The TV lounge kit comprises: ET30 AFILS amplifier, Mains Lead, ETSL scart lead, 30 metres of loop cable, Tie Clip microphone and loop present sticker. Covers a square room 5.5m per side (30m ²) up to a rectangular room 5m by 10m (50m ²). Output current > 3A	£172.00
ET30C Loop Amplifier	The Full Counter Kit comprises: ET30 AFILS amplifier, ETTC telecoil, ETDM desk microphone, Mains Lead, Tie Clip microphone and loop present sticker. Covers a 1 to 2-metre sphere around the telecoil, best mounted on the front of the counter with the telecoil bent to an inverse L. Output current > 3A	£182.00
ET20EC	The Economy Counter Kit comprises: ET20 AFILS amplifier, ETTC telecoil, Mains Lead, Tie Clip microphone and loop present sticker. Covers a 1 to 2-metre sphere around the telecoil, best mounted on the front of the counter with the telecoil bent to an inverse L. Output current > 2.5A	£125.00
ETTC Telecoil	This coil allows quick and easy fitting of the ET30 to desks and counters, supplied with 1m of twisted feed cable and self-adhesive clips for mounting the coil. (Only for use with the ET30)	£21.00
ETDM Desk Microphone	This desk microphone has a fixed neck, and is designed to fit through desks from 10mm to 40mm thick. (Only for use with the ET30)	£28.57
ETCM Tie Clip Microphone	This is a low cost microphone supplied with a removable self adhesive clip to allow easy fixing to windows, televisions etc. (Only for use with the ET30)	£9.00
ETSL Scart Adapter	This lead plugs directly into the scart socket on the rear of televisions and video recorders giving clear sound regardless of the TV volume. (Only for use with the ET30)	£26.45
ETHV 100V Line Interface	This adapter allows the audio from public address amplifier speaker circuits to be used to feed the ET30 loop amplifier. (Only for use with the ET30)	£26.45
ETLP Loop Present Sticker	This sticker is designed to show to potential loop users that an AFILS is fitted. The sign is matt with white international AFILS logo on a dark blue background.	Pack of 10 £6.80
ETFD 5/10 Feeder Cable	This is a four core twisted feeder cable (1mm CSA) to reduce the radiated field from the cable linking the loop amplifier to the start of the loop coil, supplied in 5 or 10 metre coils. (Only for use with the ET30)	5m £13.00 10m £17.00

**All prices are exclusive of VAT and carriage.
Carriage will be free of charge on orders over £500.00 net (UK mainland only)**
